Subject: FYI -- Re Contacts with GE

FYI, see below. I notified Ann at shortly after 4 PM that we would be making our announcement at 11 am tomorrow. I will be calling her at around 6 PM tonight to tell her that she will be receiving the document package around 8 - 8:30 tomorrow. (I would like it to be at the early end of that range, if possible.) Doug F. and I have agreed that I will email the packet of electronic documents to Ann tomorrow morning.

Note that, in conformance with the email advice below, I will not mention any numbers this evening.

Subject: GE Update

The Administrator's call with Jeff Immelt went well. Immelt had Mr. Brackett on the line with him, so that outreach may no longer be needed (Bob -- you can decide).

The Administrator did not give them any specific numbers. So any further discussions with GE today should not either.

We are on track for full release tomorrow, as planned.
